

PRESS RELEASE for 5/05/06

ChemRem will be present at the upcoming Fifth International Conference on Remediation of Chlorinated and Recalcitrant Compounds to be held May 22-25, 2006 in Monterey, California and sponsored by Battelle, a not-for-profit research and development organization. Please come by and visit us at the FMC booth!

ChemRem™ International LLC (ChemRem) is an Arizona Corporation founded in 2006 to provide manufacturer representation service to the environmental remediation and restoration marketplace. ChemRem's focus is on products for chemical oxidation and bioremediation of organic contaminants present in soil, rock, groundwater, surface water, and wastewaters. ChemRem represents industry leading products manufactured by FMC Corporation of Philadelphia, PA, the world leader in peroxygen chemistry and products. PermeOx® Plus, hydrogen peroxide, Klozur® brand of persulfate, and the new product Klozur® CR are some of the products that can be obtained from FMC with ChemRem assistance. As the Authorized Representative for North America, ChemRem provides technical assistance in product selection and application and facilitates the ordering process. Operational headquarters are located in Albuquerque, New Mexico, USA. A technical sales representative may be reached at 877-ChemRem or at sales@chemrem.com.
