ChemRem Opens Southeast United States Sales Office in Charlotte

Albuquerque, New Mexico – October 27, 2008 – ChemRem International LLC (ChemRem), a manufacturer representative serving the environmental remediation market place, has established a new sales office near Charlotte, North Carolina to better serve customers in the Southeast and Eastern seaboard states. The ChemRem point of contact out of this new office is Mr. Travis Bowman.

Travis Bowman joined ChemRem last month with fifteen years of business development and sales experience, including two years of direct experience in the environmental market along the Eastern and Southeastern seaboard. In college, his focus was business administration with continuing education in soil science during the late nineties at the University of Washington. As James Studer, ChemRem President and CEO explains “As a primary point of contact for ChemRem customers in the Southeast, Travis will help to continue the record of excellence ChemRem has earned in assisting customers with product selection, testing protocols, pilot and full-scale application, ordering and shipping support. We are excited that Travis is on board.” Travis can be reached at tbowman@chemrem.com or 704-728-5800.

ChemRem™ International LLC is an Arizona Corporation founded in 2006 to provide manufacturer representation service to the environmental remediation and restoration marketplace. ChemRem’s focus is on products for chemical oxidation and bioremediation of organic contaminants present in soil, rock, groundwater, surface water, and wastewaters. ChemRem represents industry leading products manufactured by FMC Corporation of Philadelphia, PA, the US\$3.5B world leader in peroxygen chemistry and products. PermeOx® Plus, hydrogen peroxide, Klozur® brand of persulfate, and the new product Klozur® CR are some of the products that can be obtained from FMC with ChemRem assistance. As the Authorized Representative for North America, ChemRem provides technical assistance in product selection, testing and application, and facilitates the ordering process. The operational and sales headquarter is located in Albuquerque, New Mexico, USA and the Southeast United States sales office is located in Charlotte, North Carolina, USA. A technical sales representative may be reached at 877-ChemRem or at sales@chemrem.com.
