

NEWS RELEASE

2/15/10

Travis Bowman, Mid-Atlantic Sales Representative for ChemRem International, will be exhibiting at the Annual Hydrogeology Symposium on April 1st, 2010 in South Carolina. The 18th annual conference is hosted by Clemson University in Clemson, SC. Current and prospective customers are encouraged to stop by the FMC booth to visit with Travis.

ChemRem™ International LLC is an Arizona Corporation founded in 2006 to provide manufacturer representation service to the environmental remediation and restoration marketplace. ChemRem's focus is on products for chemical oxidation and bioremediation of organic contaminants present in soil, rock, groundwater, surface water, and wastewaters. ChemRem represents industry leading products manufactured by FMC Corporation of Philadelphia, PA, the US\$4B world leader in peroxygen chemistry and products. PermeOx® Plus, hydrogen peroxide, Klozur® brand of persulfate, and the new product Klozur® CR are some of the products that can be obtained from FMC with ChemRem assistance. As the Authorized Representative for North America, ChemRem provides technical assistance in product selection, testing and application, and facilitates the ordering process. The operational and sales headquarter is located in Albuquerque, New Mexico, USA and the Mid-Atlantic United States sales office is located in Charlotte, North Carolina, USA. A technical sales representative may be reached at 877-ChemRem or at sales@chemrem.com.
